

Special Event Night...come celebrate with us!

It is true...Life is busy. Life can be hectic. Life feels like it is going 100 miles an hour every day...all day. Here is what else is true. Life is meant to be enjoyed. Life is meant to be spent with people we care about. On the odd occasion you actually get to spend time with the ones you love being around, invariably someone says..." why don't we do this more often"? The simple answer is because life is always getting in the way. It is hard to make the time.

That is where we come in! We want you to think of Kananaskis Country Golf Course as your one stop shop and location to help gather people you care about in one place and have the absolute time of their lives connecting, decompressing, and just enjoying each other's company. Whether it is for an anniversary, a milestone birthday, an office thank you, team building or any other reason...our team of experts can take all of the hassle out of planning a fantastic evening for you and give you that ability to get everyone together.

Here is the deal in this special relationship we are proposing. You bring us the people and we will take care of the rest! Sound fair? We love to create fun, unique, and special

events that people will enjoy and talk about for years to come! What's involved? Glad you asked. The format of the evening includes:
