

## Ladies Nights 2024

### **Make the Time on Mondays for Merlot, Mulligans, and Mountains**

Need a reason to head West this summer to enjoy the mountains? Is your life going a million miles an hour and you find that you never make the time for yourself? Looking for an excuse to spend time with friends or simply to have the opportunity to hang out with some amazing, like-minded, and inspiring women? We have the perfect prescription and that is our Ladies Golf Night! Since starting Ladies night in 2018 all of these Monday nights have been full of fun, laughter, friendships, and we even learned a tip or two about golf!

### **Have we got something AWESOME for you!!!**

The Kananaskis Country Golf Course is hosting a Ladies evening of nine holes of golf on 7 Monday nights throughout the 2024 season! Grab your girlfriends or simply come on your own to enjoy an evening of **FUN, LAUGHS AND CONNECTION**. It doesn't matter if you are an avid golfer or someone who is stepping onto the course for the first time; we are excited to welcome ladies of all abilities! This is not your typical Ladies League. It's about encouraging women from all kinds of backgrounds and experience to come out and enjoy the game of golf in a relaxed environment surrounded by a spectacular setting and amazing ladies.

## Here is what your evening is going to look like:

- **Pre-game clinics** will offer helpful tips & tricks with full swing, chipping, putting, and the Sand game! Sign up for one of these each time you attend a lady's night.
- We are so blessed to have an incredible line-up of **PGA professionals** helping you each week with offers of **unique and innovative ways** to improve all aspects of your golf game. Please welcome back Bob Paley, Mike Nutt, Jake Limoges, Sullivan Gibb and Trevor Secundiak.
- The **auctioning** of our golf pros last year was a **HUGE success** that helped us raise \$3,000.00 for the Steve Baylin Foundation. We have decided to offer this again during the 2024 season. Your foursome could have the opportunity to spend time with one of our pros for your entire 9 holes. The **pro will assist** you with things like golf course management, reading the greens, pace of play tips, and so much more!
  1. **Here is how it works:** Our professional team wanted to donate their time to the highest bidding 4some every lady's night to help raise funds for the foundation of one of our team members who recently passed away. Every cent raised will go towards the [Steve Baylin Foundation](#). Steve touched the lives of so many during his time with us at the golf course and we want his legacy to live on.
- **9 holes of golf** including cart on the beautiful Mt Lorette or Mt Kidd course
- Fun and **unique formats** each week!!
- **\$15 golf shop voucher.** Those who participate in Ladies night will receive a **20% discount** on regular priced items when redeeming their vouchers. Spend your voucher each week or stockpile them, it is completely up to you!
- **Prizing** for the evening
- **NEW THIS SEASON:** We're thrilled to unveil an exciting update to our after-golf dinner: a delectable buffet awaits you! Say goodbye to vouchers and hello to hot, ready-to-enjoy meals upon your arrival. Here are some of the wonderful theme nights that Chef Yves Lafond has put together for us to enjoy.
